

One of the most important steps you can take for your baby. Mee can make a big difference on their walk through life.

In your neighborhood for over 60 years, Mee now offers you and your family a complete range of services for infants, children, adolescents and young adults in South Monterey County.

No situation is too great or too small.

Take that important first step in caring for your family. Call today for an appointment!
Accepting new patients now!

Patients can choose to schedule appointments or walk-in without an appointment to one of Mee's clinics to see a physician. Comprehensive Perinatal Services Program (CPSP) patients are also welcomed in King City and Greenfield.

Fluent in English, Spanish, Punjabi, Hindi and Nepali.

Dedicated. Personal. Caring.

"Watching a child grow healthy and strong provides a tremendous amount of personal and professional satisfaction. It's the first step in maintaining a 'whole life' approach to family health."
