

# Life is Beautiful...Taste It!

If you love wine & gourmet food you can not afford to miss

31ST ANNUAL The Monterey Wine & Fine Living Festival

June 7-8-9th 2007  
in Monterey, CA

## About the Festival

Known as "America's Original Wine Festival", the Monterey Wine & Fine Living Festival has continued to grow and reach strong attendance numbers each year since its inception in 1976. Drawn by a combination of world-class wine, educational seminars presented by industry leaders, cooking demonstrations by distinguished chefs, a live wine auction, and exquisite dining, the festival has expanded to include more than 120 California wineries pouring more than 800 wines.

Whether wine is your livelihood, your avocation, your hobby, or just something you'd like to learn more about, the Monterey Wine & Fine Living Festival is for you. You'll have the opportunity to taste more than 800 different wines, meet, talk with, and learn from some of the world's most knowledgeable wine experts.

In addition to all the wonderful sampling and gourmet flavors you will be able to experience the latest cooking techniques directly from the expert chefs, see the latest in kitchen appliances and gadgets and learn at the wine seminars lead by the most knowledgeable experts in the industry.

If you like wine, gourmet food and cooking the Monterey Food and Wine Festival is for you!
