JAVIER ALVAREZ

With 20 years of experience as a school teacher it has helped me to educate my clients in the business of real estate. I have attended elementary, high school, junior college locally and graduated from San Jose State University. I have been involved in the community as a soccer and wrestling coach. I have held a California Real Estate license for 19 years and have experience in residential and commercial real estate. If you want experience and knowledge you can depend on me. I have lived in Salinas for 42 years and know the area very well. Don't settle for anything less than a Realtor who knows and loves his community.
