

First Class Healthcare, just around the corner.

Since opening a year ago, Mission Center Healthcare has brought state-of-the-art healthcare to southern Monterey County. Located in the new Soledad Mission Shopping Center just off Highway 101, comprehensive family medicine, women's care, advanced urgent care and occupational medicine are now close to home.

Irma Favela-Slater, PA-C

R. Giuseppi Slater, MD, FAAFP

Board Certified in Family Practice and Emergency Medicine

Leopold Graupera, MD, FACOG

Board Certified in Obstetrics and Gynecology

The bilingual/bicultural care team is supported by the advanced technology of the new facility. With a powerful electronic medical record system, on-site complete medical laboratory and advanced digital imaging system, nursing staff and IV therapy capability, Mission Center Healthcare is well equipped to be the multi-specialty healthcare hub for South Monterey County.

NEW SERVICES

We want to bring the doctor to the patient, not send the patient to the doctor. We are pleased to have top quality specialists at our clinic.

ORTHOPAEDIC SURGERY

Board-Certified and fellowship trained Orthopaedic specialist Dr. Christopher Meckel and fellowship trained surgeon Dr. Sohrab Gollogly provide the full spectrum of orthopaedic care including sports medicine, joint replacement and spine surgery.

GASTROENTEROLOGY

Daniel Luba, M.D., Richard Hell, M.D. and Toby Katz, M.D., of the Gastroenterology Consultants of Monterey Group provide comprehensive services to our patients.

PODIATRY

Scott Smith, DPM, a fellowship-trained Foot and Ankle Specialist, treats a broad range of injuries and ailments to keep patients on their feet.
