

**Assemblymember Simón Salinas'
4th Annual Women's Health Summit:**

The Power of a Woman – Take Action!

**Health Professionals and Legislators Symposium:
Friday, March 24, 8am – noon,
Monterey County Board of Supervisors' Chambers**

- Assemblymember Salinas, Congressman Farr, and Supervisor Armenta will discuss the status of women's health issues at their respective levels of government
- Panel discussion on mental health and substance abuse, domestic violence, reproductive health, women with disabilities, and breast and lung cancer
- Discussion on the legislative process and how professionals can get involved in advocating for women's health issues

**Bilingual Community Health Forum
and Resource Fair:
Saturday, March 25, 10am-3pm,
Hartnell College**

- Assemblymember Salinas will discuss the status of women's health issues at the state level
- Workshops on mental health and substance abuse, domestic violence, reproductive health, women with disabilities, and breast and lung cancer
- Resource Fair will provide information and tools women can use to manage and prevent health problems
