Summerville  
Assisted Living

A Whole New Level  
of Senior Care.

Maybe it's just a hand getting dressed each morning, or help managing medications. Perhaps it's assistance with eating, walking or bathing. At Summerville Senior Living we can provide as little or as much help needed to maintain independence including:

- ◆ Professional Care Plans customized to each resident's personal needs
- ◆ On-site Wellness Center
- ◆ Elegant, fine dining with three meals daily, ensuring proper nutrition
- ◆ Weekly housekeeping and laundry service included
- ◆ Van service available for scheduled group outings and appointments

*Our combination of care and comfort leads to a better quality of life, helping seniors stay independent today and secure for tomorrow. We also offer memory care services for Alzheimer's, Dementia and other memory impairments.*
