

# The Physicians of OB/GYN ASSOCIATES OF THE CENTRAL COAST

## INTRODUCTION OF OUR NEW OB/GYN SPECIALIST

### Experience Matters:

- Master Degree in Physiology
- Medical School at George Washington University, School of Medicine.
- Obstetrics/Gynecology Residency at Georgetown University, School of Medicine
- Reproductive Endocrinology and Infertility Fellowship at National Institute of Health (NIH).

### Compassion Matters:

- Dr. Rarick brings more than ten years of clinical expertise and special attention to his patients. He is easy to talk to, listens to your concerns, and addresses your concerns seriously.
- His special clinical interests include comprehensive obstetrical cares and minimally invasive laparoscopic and hysteroscopic surgeries, and infertility problems.

OACC welcomes our latest associate: **Dr. Thomas Luke Rarick**
