

## Admit It!

**You're In Denial... You Tell Yourself You Don't Need It...  
You Feel Too Young For It... You're Not Ready For It...**

*(You're Right. We Used To Feel The Same Way Too)*

### Introducing...“Delta”

A Designer Hearing Device For A New Generation

- Tiny
- Sophisticated
- With Hi-Tech Artificial Intelligence
- In 17 Attractive Colors
- Totally Unique
- Totally You

The problem is not hearing.

The problem is understanding certain words.

Especially with background noise present...You know, those awkward moments when you nod your head...Now, you'll never have to pretend you heard the entire conversation and nod your head in response. Delta analyzes and adapts to the sounds that surround you, making adjustments automatically and instantly.

Delta is worn behind the ear; it's tiny, stylish and modern, with a unique triangle shape available in 17 attractive colors. You'll love it and your friends and family will love you, because you won't be asking them to repeat themselves.

At Valley Hearing Center, our patients place their trust and confidence in us when it comes to matters such as their hearing health. We offer competitive pricing, which is supported by our years of education and expertise in hearing health sciences. We offer state-of-the-art products, a professional and courteous staff, and excellent, caring service. That's why at Valley Hearing Center, our main source of business is by word-of-mouth referrals.

*Give us a call today and arrange for your FREE, no-obligation consultation. We want you to experience the care and trust our patients enjoy!*
