

# Thank you

Salinas for selecting Fifi's as  
Best Wine List in Monterey County  
and one of the Best Restaurants in Monterey County

“Fifi's opened in November of 1985, and since January of 1989 I have held the reins myself. What fun! Coming from the French Alps, I love food and red wine! Our goal is to bring you good California-French food and fine wine from here and abroad at reasonable prices in a relaxed bistro setting.” -Michele Wilkes-
