# rodeo salinas

**Established** June 1987  
**Meeting Day** Thursday, 6:00PM  
**Meeting Place** Landing Zone, Salinas Airport  
**Total Membership** 22 Members

For two weeks in June the YMCA camp at Sequoia Lake, just outside Sequoia-Kings Canyon National Park, is transformed into Camp ROYAL. Clubs from around Rotary District 5230 select high school juniors who have exhibited proven leadership abilities to attend the camp. The objective is to equip these future leaders with the tools and experiences they will be able to draw from throughout their lives.

The Salinas Rodeo Rotary Club sponsors students from both Palma High School and Notre Dame High each year. This year we sent three outstanding boys from Palma. The students participated in all aspects of running their camp. In addition they heard from outstanding local leaders in business, education, medicine and justice. The common themes that run through camp from start to finish are that everything in life is possible and that each individual can make a difference.

One of the things our club members enjoy most is to BBQ, one of the dinner meals at camp. It gives our members a chance to get away to the Sierras for some fellowship and to see the camp in action. It is also our opportunity to see first hand that we can make a difference. ■

## Community Support

The Salinas Rodeo Rotary Club volunteers give their time for the following activities:

- ▶ Meals on Wheels of the Salinas Valley deliveries
- ▶ The Interact Club at Palma High School
- ▶ Collecting paper shopping bags for Monterey County Food Bank
- ▶ Collecting and delivering bath soap, shampoo, etc. to the Women's Crisis Center and Dorothy's Place
- ▶ Collecting and delivering magazines and books to Natividad Medical Center
- ▶ Participating in Salinas Read Week
- ▶ Prepare turkeys for Dorothy's Place Thanksgiving Dinner
- ▶ Prepare and deliver gift bags during the holiday season for distribution at Dorothy's Place
- ▶ Annual adoption of a family at Christmas
- ▶ Salvation Army Bell Ringers
- ▶ Annual Crab Feed Fundraiser with auction and good times.

## Rancho Cielo Supported by the Salinas Rodeo Rotary Club

The Salinas Rodeo Rotary Club, as one of its community service projects, supports Rancho Cielo (formerly known as Rancho Natividad). A barbeque and picnic area is being planned. We believe in this project because it sets out to do the following:

**NOW COMPLETE!** We're planning to establish a turtle habitat that will allow school age children from salinas to visit and learn about and endangered species.

- Provide a nurturing environment for the youth of Monterey County.
- Motivate and support our youth who face today's challenges in order to gain the skills, self-esteem and confidence needed to be responsible citizens.
- Teach the importance of investing themselves into the future of their community.
- Walk in concert with other youth oriented counseling, recreational, educational and vocational programs in our community.

The Rotary Club of Salinas, (Rodeo) is proud to be a part of the growing number of other organizations and businesses supporting this worthwhile project.
