D. Min., 1979, Boston University

Wayne Martin and Brian Lyke share an approach and an understanding of the issues and desires that couples have as they prepare for their wedding. As long-time residents of the Monterey Peninsula and Big Sur, we have the experience and knowledge to help you create the wedding ceremony you want. We are comfortable with large or small weddings, with inter-faith marriages and with those who want a spiritual but not necessarily religious ceremony. For more information please see our websites and contact us for an initial consultation. There is no charge and no obligation.
