

In memory of Joann Adair who passed away in 2005. You will be forever remembered for all of the lives you touched. You were an inspiration to young dancers and strived to bring out a high standard of perfection in all of them. You taught young girls how to be young ladies by not only teaching them to dance but also by teaching them etiquette. Your artistic abilities were unmatched and you blessed Salinas with your vision and choreography of "The Nutcracker". Because of that vision "The Nutcracker" has been appearing in Salinas each Thanksgiving weekend for 35 years. You helped found Salinas Performing Arts, Inc. which is a non-profit organization that helps young people in our community by furthering their education in the arts by giving away scholarships. We hope to honor your memory by continuing to produce "The Nutcracker" each year and by continuing to give scholarships to young people in our community.
