HELP SAFE RETURNS IN OUR MISSION TO PROVIDE SAFETY IDENTIFICATIONS TO EVERY CHILD IN THE COMMUNITY.

FACT: Authorities everywhere ask parents to carry child identification designed to help law-enforcement find missing children. With more than 2,000 children reported lost or missing every day in the United States, they know that access to quality photos and accurate descriptions "within the first 20-minutes" are key to a safe recovery.

The SAFE RETURNS® Child ID Productions are offered at Schools, Preschools & Business-Sponsored Safety Events. It only takes about two minutes for each child, and the completed Identification or Medical Cards are available immediately.

SAFE RETURNS® Safety & Medical Identification Kit Options:

* Full Color Photo Identification Cards *
* KID KARD ID – Parent Contact Card *
* Medical Alert Cards *
* Medical Release Cards *
